

Model: ORION

Recessed indoor ceiling-mounted downlight for general lighting

## Features

IP 20 | IK 02 | CE

Material	Die casting aluminium	Lighting source	LED 930 – 940 - 950
Color	White, black and grey matte	Power	23W
Weight	450gr	Luminous flux	2100 lm
Protection index	IP 20	Light efficiency	93 lm/W
Impact protection	IK 02	Color temperature	2700K to 5000K
Instalation	recessed	Color rendering	CRI >95
Input voltage	220-240 Vac	Chromatic tolerance	≤3 ellipses Mac Adam
Nominal frequency	50-60 Hz	Beam opening	Extensive , 80°
Insulation class	Class I	Lifespan	Ta 25°C: L80B10 – 70.000h
Power supply	Included, no dimmable	Energy classification	A++

## Dimensiones

Hole dimensions: 200 mm
